It is often thought to be a simple process, but that does not apply to the complex regulatory circuitry involved in the process of protein synthesis. The following information is intended to provide a general overview of the process. For more information, see the article on protein synthesis in the *Journal of Molecular Biology*. (This article is available in the *Journal of Molecular Biology*.)

I WANTED TO BE AN ALL-MYRA AND I CAME HERE PRE-TENDING TO BE ME!

COME ON, LET'S GO!

OPENING CEREMONY WILL BEGIN AT 5, SO ALL STUDENTS ARE ASKED TO GATHER IN THE GYMNASIUM...

NO... WHAT, JUN...

It's that idiot I can't see for the last time! (Mutter)

GEEZ! UH, CUT IT OUT, WILL YOU?

OH, COME ON, FOR THE SKEW-SKEW!

GEEZ! ALL-MYRA, YOU'RE SO SWEET! ♡

WHAT? REALLY? NO WAY!

I SHOULDN'T PUT THIS PAST YOU-SAMPAI!

BUT IF YOU TWO REALLY DO LOOK EXACTLY ALIKE, DON'T THEY?

OH, WELL. THERE'S NO WAY THAT COULD BE POSSIBLE, RIGHT?

EXACT! NOTHING TOO BIG THERE!

GOOD MORNING, UH-OH...

HUH?

ACTUALLY I AM YOU...

001 - 001 is (over-potential)

001 day night
